My name is Sharon Green. I live at 4215 Oakley Dr. Louisville, Ky 42003 My phone number is 898-7946 I am Matthew and Breonna's Great Grand mother.

Lisa and the children moved in with us the day before school started 2006.

She would leave Matthew here and take Breonna with her and stay out all night. Sometimes she would not even come home for a week. Matthew knew the hotel where she was staying at with boy-friend. Matthew would have to call the hotel just to talk to his mother.

I have seen Lisa with 2 bottles of pills and some pills in a plastic baggie. "She was eating those pills like they were candy."

Breonna has told me that she had to sleep on the floor at the hotel. And I saw momma and Scott doing things that wasn't nice.

I saw Lisa sitting on the couch and Breonna came up to her mother to give her a hug, but Lisa stopped her by smacking her down to the floor.

I asked Lisa, "I thought you were going to stop doing all of these things. (going out all of the time with different men.)" Lisa's reply was - "I can't help myself."

My opinion is: Lisa does not have any business with these children at this time.
